The basis of this book study is *Explicit Instruction: Effective and Efficient Teaching* by Anita Archer and Charles L. Hughes.

The book study will have two parts:

Part 1: focuses on the foundations of explicit instruction and the design of lessons using this model.

Part 2: addresses the organization and delivery of instruction as well as the process of independent practice.

Each part will have four lessons.

Each lesson should take approximately two hours to complete, or approximately 7.5 hours per part. Completion of each part can earn 0.5 college credit hour.
