

DODGE CITY MIDDLE SCHOOL

Practice Assessment

Math and ELA teachers only,

The practice math state test is a go at this moment. J We will test on April 1st.

It will work like this.....

- 6th grade teachers will test their 1st and 6th Math and ELA blocks
 - (8:25 – 9:29) and (12:55 – 1:59)
- 7th grade teachers will test their 2nd and 6th Math and ELA blocks
 - (9:10 – 10:14) and (12:55 – 1:59)
- 8th grade teachers will test their 1st and 4th Math and ELA blocks
 - (8:25 – 9:29) and (10:40 – 11:44)

Your regular daily schedule will not change at all. You have the regular 60 minutes to test your students but the test does not have as many questions on it. Just remember that during state testing you will keep your students for a two block period of time.

If a student does not get finished don't worry about it. This is for practice only. If you have any issues please get on the link below and let me know about it.

<https://todaysmeet.com/practest>

PLEASE NOTE; AFTER VISITING WITH MR. KING WE WILL NOT BE DOING GUIDED ACCESS (IPAD SECURITY) FOR PRACTICE ASSESSMENT AND THE STATE ASSESSMENT. YOU WILL BE RESPONSIBLE FOR MONITORING YOUR STUDENTS DURING TESTING.

I hope to have your tickets for the practice test to you ASAP. You can use the pink testing packet's login directions. If you were not at Wednesday's late start meeting you can stop by my office and pick up your pink testing packet.

This is to practice the new state testing procedures, stay calm and go cardinals J

Thank You

Anne
